## Verse 1

You answered the desires of my heart  
You answered the desires of my heart  
I will praise you, thank you,  
Love you with all my life

## Chorus 1

Do I love you first?  
Do I seek you with my heart  
Do I know you hold all I need  
Do I trust, Do I trust

Do I hope in God?  
Do I long to know your ways  
Is my mind steadfast on your Word and Truth  
To keep me strong, keep me strong

## Bridge

Sometimes my heart is weary  
When I leave your Word behind  
This world tries will try to fill my needs  
Only you will be my life!

## Chorus 2

Do I love you Lord?  
Do see you're all I need  
Do I rise each morning to seek your face  
Do I pray, do I pray

I pray I love you first, before all I do  
I pray I seek you first, before all I'll say  
I pray I love you first,  
Lord help me love you first!
