

HEART OF THE JOURNEY

By Michele Wagner, Billy Batstone & Phil Madeira

Verse 1

Life is like an open road
Lord show me which way I should go
There's a mission on my mind
I'm following your way like a highway sign

"I am with you do not fear"
Are the words you whisper in my ear
Your plans for me are sure
I will focus on the one I serve

Chorus

You are the Heart of the Journey
The beginning and end of my road
You are the Heart of the Journey
Leading me all the way home
On the open road

Verse 2

Guide me with your gentle hand
I am trusting in Your plans
You are faithful You are true
And my future is secure in You

Bridge

On the open road
You are with me
And I see your plan unfold
Jesus, You're my destiny!
