

SAFE SAFE PLACE

By Michele Wagner & Dwight Lilies

Reference: Deuteronomy 33:12

Intro/Interlude

Verse 1

I can see the storm skies are dark with angry forms
Waves and winds prevail and throw their weight against my sails
And when I feel afraid of the danger in my way
You're my hope and love the strength that lifts my heart above

Chorus

I'm in a safe, safe, place in your arms
I'm in a safe, safe place your love is all around
Like a free and warm embrace
Your grace will cover me
I'm in a safe, safe place in your arms

Verse 2

In this world of fear your gentle spirit draws me near
More real than earth and sky
You cross my heart I'll never die
You won't let me down
Your love will always be around
Faithful strong and true my mind is always stayed on you

Bridge

You're my resting place where I hide
In you perfect care I'll stay
