

SIMPLE DEVOTED AND TRUE

Intro/Interlude

Chorus

Simple Devoted and True
Is the way I've got to I
ive all my life just for you
Every day and night
Lord I pray I stay following you
Simple devoted and true

Verse 1

Cause this world can be a heavy load
That my soul just can't bear
Unless I learn to trust to you
My worries and my cares
And I know there will be those
Who will have their words to say
And wrong may seem right
Through imperfect eyes
But I know I must stay

Verse 2

With my mind I can plan my way
And I know you'll be there ever step
And though this world may want me to stray
Your words I can't forget

Simple devoted and true help me stay
