

# WE'RE THE MESSENGERS

By Michele Wagner

Reference: Isaiah 61, Acts 13,14

## Verse 1

We are life in a dying world  
God reaches through us for the lost boy and girl  
We are His strength when the world tumbles down  
We are a hope to be found  
If you knew there were people who died in the streets  
Without ever knowing the comfort of peace  
Would you go to the ends of the earth this day?  
To reach the soul God wanted to save!

## Chorus

We're the Messengers of God above  
With the message of redeeming love  
Spread the message of the one true living God

## Verse 2

Do you see the man reaching to find his home?  
He's drowning in emptiness in a heart alone  
Is there someone who'll reach out to grab his hand?  
Tell him that there's a promised land!

## Bridge

We are the light for the dying and lost  
Give up your comfort isn't worth the cost?  
To give up your life so another can live Give a chance for life to begin  
Don't hold Him in

## Ending

Spread the message of the one true and living God!
