

PERFECT TIMING

By Michele Wagner

Reference: 1 Samuel 1-2

Verse 1

God has a perfect timing God has a perfect way
No more weary trying No more anxious days
Our God is able
We know what He can do
Our God is faithful
His promises are true
God has a perfect timing God has a perfect way
When you're feeling down and lonely sing these words of praise
Our God is able
He longs to see you through
Our God is faithful
All He promised He will do

Bridge

Sit at His feet let His love fill your heart Hear His voice speak truth
Hold His hand learn to trust and obey See Him live His life through you

Verse 2

God had a perfect timing God has a perfect way
He's asking you to trust Him Believe His words in faith
Our God is able
He longs to see you through
Our God is faithful
All He promised He will do
Our God is able
He longs to see you through
Our God is faithful
All He promised He will do
