Intro: C#M7 | F#m7 | E/D D | Bm7 | D/E E | A | A Asus | A |

Verse 1

E/D **A/C#**
I've tried in my own way
E/D **A/C#** **F#m7**
To help you understand
D **A/C#**
But you've heard it all before
G2/B **F#m9**
Still you never made Him Lord
Bm7 **A/C#** **Esus** **E**
There's nothing new that I can say or do

Chorus

A/C# **D** **E/D** **A/C#** **F#m7** **Bm7** **E/G#**
So I will pray for you - and stand here faithfully
D/F# **A/E**
Believing for the time I'll see Him
Bm7 **Esus** **E**
shining in your eyes
A/C# **D** **E/D** **A/C#** **F#m7**
Oh I will pray for you
Bm7 **Bm/G#** **C#/F**
And hold you in my heart and hope that
F#m **E/D** **D**
One day you'll embrace the truth
Bm7 **Esus** **E** **A** **Asus** **A**
But until then I will pray for you

Verse 2

E/D **A/C#**
How can you walk away?
E/D **A/C#** **F#m7**
From all you know is true
D **A/C#**
Though you say that you are fine
G2/B **F#m9**
I know there's pain beneath that smile
Bm7 **A/C#** **Esus** **E**
Still you refuse to let His love break through
